Elsagate Dataset
End-User License Agreement

This End-User License Agreement (EULA) is granted by the RECOD Lab. ("hereinafter as Licensor"), Av. Albert Einstein, 1251 Cidade Universitária, Institute of Computing, University of Campinas. This dataset is released for academic research only, and is free to researchers from educational or research institutes for non-commercial purposes.

1. Acceptance: You accept and agree to be bound by the terms of this agreement by sending a signed copy of this EULA to the Representative Licensor. You must agree to all of the terms of this agreement before you will be allowed to download the data. If you do not agree to all of the terms of this agreement, you must not use the Elsagate dataset. By accepting this EULA agreement, the End User engages to strictly respect the conditions set forth herein.

2. License Grant: This Agreement entitles you to use the Elsagate Dataset. In addition, you may make one or more copy of the Elsagate Dataset, but all copies of the Elsagate Dataset must be on a private (no shared) storage medium.

3. Restrictions on Transfer: Without first obtaining the express written consent of the Representative Licensor, you may not assign your rights and obligations under this Agreement, or redistribute, encumber, sell, rent, lease, sublicense, or otherwise transfer your rights to the Elsagate Dataset.

4. Restrictions on Use: You may not permit the use, or copy of the Elsagate Dataset by more than one user. If you hold multiple, validly licensed copies, you may not permit the use, or copy the Elsagate Dataset by more users.
